

Helping Hands of Compassion to raise funds when you shop online

Do you shop online?

Do you shop at stores such as John Lewis, House of Fraser, Marks & Spencer, Argos, Amazon, W H Smith, Waterstones, etc Did you know that there are over 2000 Brand Name retailers who will donate a % of your purchase to a chosen charity if you shop on line via www.easyfundraising.org.uk.

You may ask why do they do this – because when you buy online the cost to the retailer is much lower, i.e. no shop, salesperson, heating, electricity etc. so retailers are happy to help good causes such as Hands of Compassion when online customers are introduced via www.easyfundraising.org.uk.

Hands of Compassion will benefit! For every purchase you make, depending on which retailer you select, ranging from 0.5% to 15% will be paid to us.

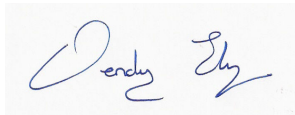

You will still deal directly with each retailer, not Hands of Compassion. Simply go on line at www.easyfundraising.org.uk/causes/hoc , follow instructions to register and make your purchase with your chosen retailer, and then choose Hands of Compassion as your selected charity to benefit.

How does the retailer know who to pay? – every person who registers is automatically allocated a unique ID number. This number is then simply included in the link when you visit the retailer's website (ie. www.amazon.co.uk becomes www.amazon.co.uk/easyfundraisingUID-1234567) This tells Amazon you are an easyfundraising member and that your transactions are to be rewarded to the charity you chose.

And their service is free! It does not cost you any more to shop this way, but it raises money for Hands of Compassion!

Please also tell your family and friends about this easy way to raise funds for Hands of Compassion. If you have any queries, do contact me.

Happy shopping and thank you for your support to Hands of Compassion!
